Public Comment

At this time, members of the public may address the GBD Board on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda. With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting. Each member of the public may address the Committee for up to three minutes.

The Brown Act forbids a Committee from taking action or discussing any item not appearing on the posted agenda, including those items raised at Public Comment. In response to public comment on an item that is not on the agenda, the Committee is limited to:

- Briefly responding to statements made or questions posed by members of the public, or Requesting staff to report back on the matter at a subsequent meeting, or
- Directing staff to place the item on a future agenda. (Government Code Section 54954.2(a).)

Dogpatch & Northwest Potrero Hill GBD Board of Directors General Meeting

July 19, 2023 6:30 - 8:30pm In person: Dogpatch Hub, 1278 Minnesota St

Board Members in Attendance: Katherine Doumani, Susan Eslick, Barb Fritz, Kanwar Kelley, Daphne Magnawa, Terri McFarland, Sarah Miers, Michael Plater, Richard Romero, Paul Selmants, Shawn Troedson

1. Open Meeting

Sarah calls the meeting to order at 6:36 pm.

2. Roll Call

Shawn completed the roll call and established a quorum.

3. Vision/Mission & Conduct Reminder

Led by Shawn.

4. Approve June 2023 Meeting Minutes

Richard moved to approve the minutes, Susan seconds. All in favor, motion passed. June minutes approved.

5. Announcements

- NW Potrero Hill trash clean up July 30th 10-11:30am. Meet at Benches Park.
- Dogpatch Neighborhood Association does not have a cleanup or meeting in August
- Chef Pop up at ICA 7/20 5-8pm
- Museum of Craft and Design Make Art night 7/20 5:30-9pm
- Sundown Cinema 7/21 6-11pm at Crane Cove Park, viewing Moana
- Dogpatch Tunnel Top Park will host Poets in the Park on 7/23 1-3pm, with an open mic portion
- Dogpatch Hub is hiring a coordinator
- GBD ED job description is up on website and linkedin, rolling aps for another week

5. Public Comment

Mike Spain brought forward concerns and requests about Woods Yard –
proposed picnic tables last time he presented to the GBD, still wants them put in
place; wants lights for Woods Yard strung through the trees and powered by
solar panels on the two poles that already exist in the yard, and an overhang for
the park of Woods Park that's bounded by cement pillars; requests inclusion at
the next meeting (similar to industrial look and feel of neighborhood)

6. Executive Director Search Update

- Michael provides update: Five interviews so far; should have an individual selected by September
- Richard comments how much work and knowledge Julie as ED has put into the GBD; recommends Board to take a look at adding staff support; Susan highlights budget restrictions.

7. Renewal Planning Update (Daphne)

- Boundary evaluation update
- Daphne explains why the renewal effort is taking place now and for the next 12-16 months and provides a larger update
- Change in boundaries criteria:
 - Any new areas need to be attached (contiguous), financially and operationally viable, compelling and value-aligned, have strong support
 - Potrero could potentially expand East or South; Daphne and Donovan to meet with board members of the Potrero Boosters and neighbors to gauge interest
 - Dogpatch could potentially expand to include area around Tunnel Tops Park, and/or 22nd St stairs area
- Fundraising update
 - Power Station gave \$30K and are offering a \$25K match, Amazon has promised \$5K, DNA given \$10K = Total raised as of meeting: \$60K
- After discussion with consultants, unlikely GBD will need to go to a vote twice; support determined in petition phase
- Kickoff meeting with Urban Place August 10th
- Next committee meeting will be first week of August

8. Executive Director Report

- 20th Street:
 - GBD has donations and materials ready for the space...lacking permission from the city to build it
 - Director of Public Works pressing on our behalf
 - Filed for Shared Spaces permit
 - GBD has gotten Amazon to commit to repaving 20th St and building sidewalk on overpass; once they complete we can build the plaza
- Gateway / Vermont Gateway:

- Construction company is the same for Gateway and Esprit Park and they have slowed down work recently
- o Closing a lane on Vermont St for native plant garden
- 2023 Dogpatch Music Series:
 - o \$25K received from Avenue Green Light
 - Working on securing vendors; will need volunteers
- Iowa Street Garden
 - o Blooming!
 - Receiving \$75K reimbursement from the Community Challenge Grant
- IM Scott School
 - Being encouraged by SFUSD to focus on activating exterior spaces
 - Contact Richard or Bruce if interested in joining meetings
 - o GBD role TBD
- Gears Meadow
 - New lease agreement signed for another 3 years

9. Adjourn

Meeting was adjourned at 7:31pm

Modernizing San Francisco's Parking Meter Hours

Dogpatch and NW Potrero Hill Green Benefit District August 16, 2023

Why extend parking meter hours?

- Meter hours should reflect business hours
- Right now, they mirror the times businesses were open in the 1950s
- When parking meters are operating, it makes finding a parking space easier

Why NOW?

- The SFMTA is facing a significant budget deficit—as are most Bay Area transit agencies
- New revenue is needed to avoid Muni service cuts
- More than 400,000 Muni riders every day, many with very low incomes
- Extending parking meter hours could be part of the solution

Parking meter modernization proposal

- Extend hours Monday-Saturday
 - Until 10pm (previously 6pm)
 - Rates will be the same as 3-6pm rates to start
- Begin operating meters on Sundays
 - Noon-6pm
 - Rates will be the same as Saturday rates
- No time limits during the new meter hours
- Implementation in phases, through December 2024
- Expected revenue: \$18.5 million per year

Economic analysis underway

- City Controller's Office is conducting an independent analysis of the economic impact of extending parking meter hours
- We're working on possible solutions for employee parking

Extending meter hours helps local businesses and drivers

- More parking availability
- Easier parking for customers
- Drivers spend less time driving around searching for parking
- Customers don't avoid certain neighborhoods where finding parking is frustrating

Extending meter hours also helps Muni riders, people who walk & roll

- Improves Muni speed and reliability
- Reduces double parking and circling, which present hazards to other road users
- Reduces distracted driving
- Improves safety for pedestrians, people who ride bikes and scooters, wheelchair users

Extending meter hours can help support faith communities

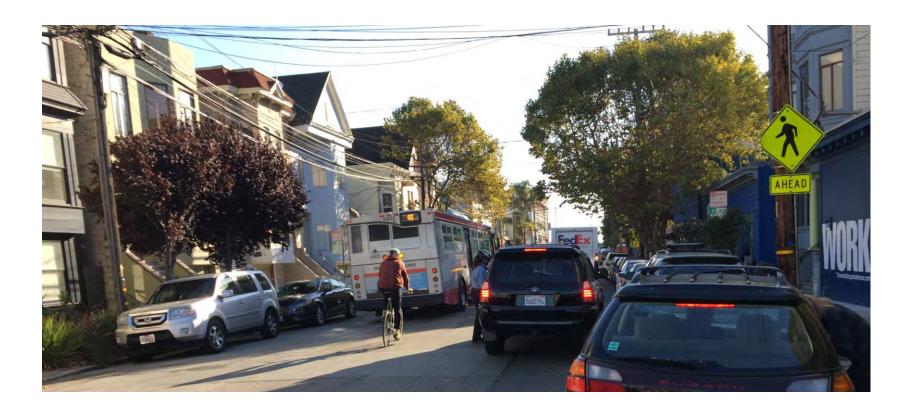

- Sunday hours start later: Noon-6pm
- Easier parking for church-goers during peak demand times
- No limit to how many hours drivers can park at meters on Sundays
- Church-goers using Muni or walking can arrive more quickly and safely

August 2023

8.16.2023 Ongoing Front Burner

IM Scott School Open Space

- Continued discussions with the SFUSD about the GBD possibly taking control of and improving the IM
 Scott hardscape facing Minnesota and its conversion to more neighborhood-serving uses.
- DOES THE BOARD WANT TO PURSUE DISCUSSIONS WITH THE CURRENT IM SCOTT TENANTS, NEIGHBORS, AND POTENTIAL PARTNERS ABOUT INCREASING NEIGHBORHOOD-SERVING AMENITIES AT IM SCOTT? If yes, we can start some investigations and schedule a full discussion at the next board meeting.

2023 Dogpatch Music Series

- Executed the contracts for the Avenue Greenlight grant that is funding the series, plus 2 MinneSLOWta events this fall and next spring,
- o Booked preferred vendors musicians, ice cream cart, Museum of Craft & Design, porta potties, etc..
- o Worked with the graphic designer on event graphics.
- o Set up the GBD website page for the series.
- Scheduled extra power washing and trash pick-ups.

Renewal

- Ordered display stands, assembled and processed images, and wrote text for a series of ten 2' x 3' display boards describing the GBD and its accomplishments to be used at the Music Series and beyond for GBD renewal promotion. Engaged our annual report designer to layout the boards and prepare print files. (This work is also pertinent to this year's annual report, which will mirror the display board messages and images.)
- o Took our renewal consultants on an extensive tour of Dogpatch.
- Negotiated and executed the consultant's contract. Provided them with assessment data and other information to get started.
- Met with the renewal committee on boundaries, budget, and other prep for our first meeting with the consultants.
- Helped organize and attended the consultant kickoff meeting.

Minnesota Grove

- Public Works' purchase order for the work at Minnesota Grove and the 23rd and 25th St sidewalk improvements has been created. Work should begin shortly.
- Requested walk-throughs with the contractor and landscape sub to try to prepare for construction and minimize damage to the garden.
- Reached out to key property owners and tenants who will be impacted by construction Andy Rappaport (MSP), Jim Fuller (large property owner), Dick Gentschel & staff (Holzmueller). Will try to interface with them, Public Works and Ronan, the contractor to reduce conflicts.

22/23 EOY Financials

- o Worked with Anh to review and close out the books for the past fiscal year ending June 30.
- o Sent our unaudited financial report or Public Works as required.

23/24 Assessments

- Worked with NBS to prepare the assessment rolls for 23/24. Review their data and made adjustments where needed. Checked occupancy status for buildings in progress.
- o Submitted the assessment roles to the city controller's office before August 10, as required.

20th St

 Great news! One of the hurdles to the Amazon project was a damaged and "uniquely aligned" sewer line running diagonally from 20th St to the middle of Minnesota. Through a great deal of advocacy (wheedling) the line has been dug up, realigned and replaced. One more barrier removed.

- Continued working with Fletcher Studio and Juan Lainez on material and design details for the plaza so
 we can be ready to move if/when we, and Amazon, get approval to proceed.
- Continuing to communicate with Amazon and the city, attempting to clear the remaining hurdles blocking the project. Have now engaged the director of SFMTA, the manager of Public Works, and high level staff at the PUC.

Angel Alley

The dispute with the electrical contractor has progressed. He had his lawyer send a demand for payment. I wrote a response detailing the lack of clear explanation for charges more than 50% over the approved budget, the lack of change orders, admitted errors in the billing, etc. The GBD's lawyer reviewed the response and approved it with a few minor changes. We responded to the attorney and now believe the lawyer may be declining to pursue the claim.

Gateway/ Vermont Greenway

- o Sent schematics of the proposed Vermont hillside maintenance path to Caltrans.
- o Did inventory of the materials in the GBD yard versus Surfacedesign's material take-offs.
- Met with our preferred material hauler to discuss the eventual movement of the materials tree trunks, granite curb, cobblestone, field stone boulders – to the project site.
- o Working with Juan Lainez to develop an updated budget for project construction.
- Meeting with a large equipment hauler to begin planning and budgeting the move of granite, cobblestones, and logs from the GBD yard to the project site.
- o Coordinating with RecPark and Bauman about their remaining granite curb needs for Esprit.

23rd St @ Iowa Lighting & Sidewalk Extension

- Update on the request to Public Works regarding options for building the missing sidewalk section at the SW corner of 23rd and Iowa and relamping or other options for adding more light at that intersection:
- Lighting improvements are possible. The \$83k Remaining from the original lowa St lighting project was reassigned for USOP Plaza lighting and must now be re-reviewed and its reassignment approved by Planning.
- The sidewalk addition is more complex as Caltrans claims rights to the adjacent lot all the way to the curb line. Public Works is willing to build the sidewalk, but an encroachment permit from Caltrans or transfer of property rights is required.

lowa Street Garden

Submitted the required reports and invoices and received the \$75,000 grant reimbursement from CCG.

Tennessee St Trees & Path

 Negotiated with FUF to be included in a September planting that will replace some of the dead/missing trees adjacent to Ryder Truck. Two missing trees on Indiana near Progress park will also be replaced

Esprit Park

- Worked with RecPark & the project arborist to address concerns about the condition of the trees at the park. The long delay between excavation and restoration of the ground plane is stressing the trees. The watering and tree protection protocols were reviewed and watering increased.
- o Communicated with neighbors concerned about the trees and assured them of steps being taken.

DOGPATCH

22nd St Sidewalk gardens

o Still no irrigation on the east end.

25th St Garden & Path

 We continue to try to meet with the Rappaports regarding reconfiguring the Minnesota St encroachment area at 25th. Communicated again with Andy Rappaport about this. He will be back in the Bar Area in September.

Caltrain Station

- Infill planting is needed.
- o Communicating with David Fletcher about replacement species.

Gears

Needs infill planting and irrigation.

IM Scott Native Plant Sidewalk Gardens

All normal.

Minnesota South Improvements

o As above.

Pennsylvania Avenue Garden & Path

All good.

Progress Park

 When funding allows, the makeshift wood benches around the large olive tree should be replaced. A small amount of funds is proposed in the 23/24 budget towards repairs.

Progress Dog Run

• The bark chips are in dire need of replacement. Due to board budget directives, we will now have to raise \$4k to round out the replacement budget.

Tennessee St Trees & Path

- One of the planter boxes was damaged, perhaps by a vehicle. Juan will repair it.
- We have acquired a couple cans of the new paint for the building (now leased by MSP) to help control graffiti along Tennessee.
- o I have filed a request with FUF to replace some of the dead/missing trees adjacent to Ryder Truck.

Tennessee St @ 25th

All good.

Woods Yard Park

- We will do extra cleaning and power washing ahead of the music series.
- Will likely add a few more red chairs to replace broken ones and infill since some chairs were moved to the Dogpatch Arts Plaza.

POTRERO HILL

Benches Park & Dog Station

 The park's paths, already in need of repair, suffered further erosion in the recent storms. When funds are available, they should be repaired.

Fallen Bridge

- Audre and crew completed repainting the floor of the bridge due to heavy graffiti. The main support pylons were then graffitied. Working to get paint stock from Caltrans.
- We need to hold Rec Park to their promise to add some evergreen Ficus vines along the sound wall at the north side of the park. The vines on the south portion add greenery to the park and are a very effective deterrent to graffiti.

San Bruno Avenue

o Revised plans for the proposed sound wall and planted area have been completed. Clean CA grant awards will be announced in the fall.

COMMUNICATION & OUTREACH

GBD Park Signage

 Special signage (explanation of native plantings, acknowledgement of CCG grants, etc.) is needed for lowa St and Vermont St.

Dogpatch Promotion & Wayfinding

 Continued working with Dogpatch Business Association on signs with the new Dogpatch logo and wayfinding map QR code.

Monthly

- Wrote text and processed images for the monthly blast
- Sent monthly item to the Potrero View

FINANCE

- o Fiscal year-end accounting and annual financial review.
- o Preparing quarterly grant report for Vermont to Community Challenge Grants.

Dogpatch & NW Potrero Hill Green Benefit District Project Evaluation & Categorization Criteria

8.11.2023

A. Geographic location

ND: North Dogpatch (North of 22nd)

CD: Central Dogpatch (22nd to 23rd)

SD: South Dogpatch (South of 23rd)

PH: Potrero Hill

We aim to distribute projects equitably, so that all portions of the district benefit as evenly as possible.

Potrero Hill assessments are only spent in that district, so that funding is restricted to PH projects.

Dogpatch is loosely divided into 3 areas based on character, occupancy, use, natural barriers. But the areas are not equal in size or population.

South Dogpatch lacks infrastructure at a much greater level than the other parts of the neighborhood, and there are/were more fallow parcels in South Dogpatch open to conversion.

Some amenities may benefit the broader community, regardless of their location.

B. Project classification

Since many project aspects are interlaced (for example, larger projects tend to be more expensive and take longer), we have traditionally classified projects based on all four criteria: Size, cost, complexity, and time to complete.

A few factors have pushed projects into higher categories: rising costs; the many impacts of the pandemic; more strict rules and less cooperation from Public Works; less funding available from waterfront development, grant programs, etc.

We try to have a range of projects underway or in the planning stages, so there is a cadence of new, completed projects to report at the end of each fiscal year. Small, inexpensive, quick-build projects spread happiness around. But the larger, more expensive and complex projects make for more transformative, long-term – and more noticeable and appreciated - change.
