

Fundraising Priorities & Best Approach for all Donors and Donations

This is a step-by-step process to outline fundraising priorities and apply the best approach for all donors and donations.

Step 1: The GBD Board determines the list of GBD-sanctioned projects.

Step 2: The GBD Board approves the GBD budget, including the funding allocated for projects.

Step 3: The Fundraising committee works with the ED and the Board to identify funding gaps and to solicit contributions to fully fund projects. (This in addition to grant applications, etc.)

Step 4: Should unsolicited donations or donations that do not specify a GBD project (greater than \$1,000) be made, the fundraising committee will work with the ED and the Exec Committee to make a recommendation to the board for the application of those funds.
